9. Statement of Significance

The statement of significance should explain why the person, place, event, or thing to be marked deserves recognition on an Ohio Historical Marker. Support all statements of fact with credible sources. Sources from the time of the topic being commemorated (primary sources) are strongly preferred over those that describe the topic years after the fact (secondary sources). Please document all statements of fact in the statement of significance with footnotes or endnotes. Please refer to the Marker Application Guidelines for more information about footnotes and endnotes.

NOTE: STATEMENTS OF SIGNIFICANCE MUST BE TYPEWRITTEN ON A SEPARATE SHEET OF PAPER AND ATTACHED TO THIS APPLICATION. Limit the statement of significance to one or two typed 8.5 x 11 pages.

10. Suggested Marker Text

On a separate piece of paper, DRAFT a suggested historical marker text of between 90 to 130 words per side. Suggested texts in excess of 130 words per side may be returned to the local sponsor for further editing before review by the markers program.

Suggested texts for Ohio Corporate Limit Markers should not exceed 15 words.

The text must be historically accurate, informative, and concise. All suggested texts are subject to revision at the discretion of the Ohio Historical Markers program to ensure these goals are met.

Document all statements of fact in suggested marker text with **footnotes** or **endnotes**, as in the “Statement of Significance.” Including footnotes or endnotes in the suggested text connects statements of fact to the sources you consulted during your research. Footnotes or endnotes

also aid the review and fact-checking process. These footnotes and endnotes will NOT be included on the finished marker.

NOTE: SUGGESTED TEXT MUST BE TYPEWRITTEN ON A SEPARATE SHEET OF PAPER AND ATTACHED TO THIS APPLICATION.

11. Sources and Bibliography

On a separate piece of paper, please list any publications or other references cited in the footnotes or endnotes in both the “Statement of Significance” and “Suggested Marker Text.” For each reference, indicate the **name of the author**, the **title of the source**, its **place and date of publication**, and **page numbers** where information was found.

Attach to your application photocopies of any relevant pages of these sources that may help in the review of the marker text. If it is impractical to photocopy the source, indicate where it may be found so that it may be consulted when this application is reviewed as the program must have access to all sources cited. Be sure to note which footnote or endnote the photocopies correspond to in your “Statement of Significance” and “Suggested Marker Text.”

NOTE: SOURCES AND BIBLIOGRAPHY MUST BE TYPEWRITTEN ON A SEPARATE SHEET OF PAPER AND ATTACHED TO THIS APPLICATION. **Applications missing sources and a bibliography will be returned.**

12. Tentative Dedication Date _____, 2019

To help the marker program plan, what month do you hope to hold a marker dedication? Is it around another special event?
